

# DEEPER

By Delirious: Written By: Martin Smith & Stuart Garrard Copyright: © 1997 Curious? Music UK

Intro: Bass only with percussion [: D.. C :] 4x's

D/// Asus/// Bm/// G/// D/// Asus/// C/// G// (rest on 3)

Verse 1

          D                  C  
I wanna go deeper, but I don't know how to swim,  
          Bm                          Asus  
I wanna be meeker, but have you seen this old earth,  
          D                          C  
I wanna fly higher but these arms won't take me there,  
          Bm                          A  
I wanna be,          I wanna be

(Pre-Chorus)

G                          Em                          Bm          Asus  
Maybe I could run, and maybe I could fly to you,  
G                          Em                          Bm          Asus/ G/  
But do you feel the same, when all I see is blame in me?

(Chorus)

D                          Asus  
And the wonder of it all is that I'm living just to  
Bm                          G  
fall more in love with you  
D                          Asus  
And the wonder of it all is that I'm living just to  
C                          G (Bm)  
fall more in love with you (2<sup>nd</sup> x thru do 2x's then go to bridge – Use C#m shown above)

Verse 2

          D                  C  
I wanna go deeper, but is it just a stupid whim  
          Bm                          Asus  
I wanna be weaker, being help to the strong,  
          D                          C  
I wanna run faster, but this old leg won't carry me  
          Bm                          Asus  
I wanna be, I wanna be  
(to Pre-Chorus then Chorus)

Bm                      Asus                      G  
Maybe I could run, maybe I could follow  
Em                      Bm                      Asus/ Bm/  
It's time to walk the path where many seem to fall  
Bm/                      C                      G  
Hold me in your arms just like any father would  
A              Bm                      C              Bb (*hold*)  
How long do we have to wait? How long? We're going all the way.

Instrumental: D/// Asus/// Bm/// G/// D/// Asus/// F/// Em/ G/

(Chorus)

D                      Asus  
And the wonder of it all is that I'm living just to  
Bm                      G  
fall more in love with you  
D                      Asus  
And the wonder of it all is that I'm living just to  
C                      G  
fall more in love with you      (2x's)

(Ending)

D/// Asus/// Bm/// G/// D/// Asus/// C/// G// (rest on 3)
