By The Swift

CCLI Song #:4329411 - Written By: Matt Redman

==========

Capo 4 (G chord forms)

Intro: B /// Emaj7 ///

Verse 1:

```
        B2                          G#m7
Your blood speaks a better word
                        B2                                  G#m7
Than all the empty claims, I've heard upon this earth
                             F#
It’s righteousness for me
                        E2
It stands in my defense
                    B2   Emaj7    ( G#m7 /          D/  )
Jesus it’s Your blood           (2nd time “Your Blood”)
```

Verse 2:

```
            B2                          G#m7
And Your cross, it testifies in grace
                        B2                              G#m7
It tells the Father's heart, to make a way for us
                    F#
And boldly we approach
                    E2
in earthly confidence
                     B2             G#m7 /    F#  /
It's only by Your blood - Your Blood
```

Chorus:

What can wash away our sins?

What can make us whole again?
