

Whatever You're Doing

By Sanctus Real

Verse 1

It's time for healing time to move on
It's time to fix what's been broken too long
Time to make right what has been wrong
It's time to find my way to where I belong
There's a wave that's crashing over me
And all I can do is surrender

Chorus 1

Whatever You're doing inside of me
It feels like chaos but somehow there's peace
It's hard to surrender to what I can't see
But I'm giving in to something heavenly

Verse 2

Time for a milestone, time to begin again
Reevaluate who I really am
Am I doing everything to follow Your will
Or just climbing aimlessly over these hills
So show me what it is You want from me
I give everything I surrender

Chorus 2

To whatever You're doing inside of me
 It feels like chaos but somehow there's peace
 Though it's hard to surrender to what I can't see
 But I'm giving in to something heavenly
 Something heavenly

Bridge *(quietly)*

Time to face up, clean this old house
 Time to breathe in and let everything out
 That I've wanted to say for so many years
 Time to release all my held back tears

Chorus 3 *(quietly and build - full volume at 3rd line)*

Whatever You're doing inside of me
 It feels like chaos but I believe
 You're up to something bigger than me
 Larger than life, something heavenly
 Whatever You're doing inside of me
 It feels like chaos, but now I can see
 This is something bigger than me
 Larger than life, something heavenly
 Something heavenly

Ending *(quietly holding chords out as whole notes)*

It's time to face up, clean this old house
 Time to breathe in and let everything out
