

Thief

by Third Day

note: capo on 3rd fret and it will still go with the CD

Am Em
I am a thief, I am a murderer
C Am
Walking up this lonely hill.
Am Em
What have I done? I don't remember
C Am
Noone knows just how I feel.
E F Am
And I know, that my time, is coming soon.

Am Em
It's been so long. Oh, such a long time
C Am
since I've lived with peace and rest.
Am Em
Now I am here, my destination
C Am
I guess things work for the best.
E F Am
And I know, that my time, is coming soon.

Am Em
Who is this man? This man beside me
C Am
they call the King of the Jews.
Am Em
They don't believe, that He's the Messiah.
C Am
But, somehow I know it's true.

E
Oh, they laugh at Him in mockery
F Am
and beat Him till He bleeds.
E
They nail Him to the rugged cross,
F C Am
and raise Him...they raise Him up, next to me.

Am Em
My time has come. I'm slowly fading.
C Am
I deserve what I receive.
Am Em
Jesus, when You are in Your kingdom
C Am
could You please remember me?

E
He looks at me still holding on
F Am
The tears fall from His eyes.

E
He says, I tell the truth...
F C Am
Today, you will live with Me in Paradise.

E F Am
And I know, that my time, is coming soon.

E F Am
And I know, that my time, is coming soon.

E F
And I know, that paradise, paradise,
Am
is coming soon.
